

Travel & Tourism

Performance Objective PO-02

Assignment: Plan a Week-Long Itinerary in Utah for a Family Vacation

Date Assigned: _____ **Due Date for Assignment:** _____

You work in a travel agency and a family from Chicago (2 parents 3 children) contacts you to help them plan a trip to Utah. They have never visited the State before and want you opinion as to what they should see and do.

You need to create a complete plan for them including all prices.

Minimum Expectations include:

Dates of trip

Airplane flights & costs

Car rental with costs

Hotel accommodations with costs

Sightseeing Suggestions with Entrance costs

Restaurants Suggestions with approx. Costs

Other important considerations (weather, etc.)

Total costs for the trip should be highlighted

Since you hope the family will book the entire trip through you, you will need to put all the information and materials into a professional looking presentation.
